Suggestions for Improvement:	Kayla took in account the needs of her students. One of the students she did a lesson with was ELL. For this student she mad a graphic organizer for, so the student could better visualize what she was suppose to do. That really helped the student learn.
Overall Rating:	Proficient
Suggestions for Improvement:	For Kayla's lesson she was in small groups. She had knowledge of the content she was teaching. She asked questions on how she should teach different things. It was student friendly and the students learned.
Overall Rating:	Proficient
Suggestions for Improvement:	Always on time. Was professional with her interactions with the students. Communicated any needs/concerns with me.
Do you believe this practicum student has the knowledge, skills, and attitude required to become an effective student teacher?	Yes
General Comments:	Overall Kayla did a really good job. The students really took to her. They enjoyed having her in class and learning from her. She build solid teacher-student relationships with them. You could tell the more time she spent in the classroom, the more she opened up and felt comfortable with the students.
